## INTRODUCTION

### History, Mission Statement & Philosophy

The Montessori Teacher Education Center San Francisco Bay Area (MTEC-SFBA) is a Montessori Teacher Credential Center for courses in Infant and Toddler, Early Childhood, Elementary Level I and Elementary Levels I - II.

MTEC-SFBA was established in 1980 with the Elementary Level I - II course. MTEC subsequently establish the Early Childhood Level and the Infant & Toddler Level. The original location of instruction for all course levels was at Foothill Boulevard in San Leandro. Presently San Leandro, CA Campus only conducts class at the Early Childhood Level during the year- round schedule.

Due to continuing demand in the Bay Area, the Sunnyvale, CA Campus was established with all course levels for both the year-round and the summer intensive schedule. All Practicum Seminars are conducted at the Sunnyvale, CA Campus. The Foster City, CA campus was recently added at the Early Childhood level with the year-round schedule only. The administrative office is at 101 Callan Avenue, Suite 420, San Leandro, CA 94577 and no classes are conducted at the administrative office.

**This Student Handbook is for the Elementary Level I Teacher Credential Course**, which prepares the Adult Learner for working with students six to nine years old as a Head Teacher. The length of this Course is twelve months for the summer schedule, and twenty-one months for the year-round schedule.

The **mission** of the Montessori Teacher Education Center San Francisco Bay Area is to provide infant and toddler courses, early childhood courses, and elementary courses for adults that lead to competencies required to meet the requirements of providing a quality Montessori educational experience for children and students, and to employment in a Montessori educational setting as a teacher at the appropriate level.

The **purpose** of the MTEC-SFBA is to create, to establish, and to provide an independent non-profit educational resource for the advancement of education and for scientific purposes, to improve ways of assisting children in their learning, and where development can be explored, demonstrated, and implemented.

The **objective** of the MTEC-SFBA is to provide a growing and developing quality of Montessori Head Teachers. This objective is met by providing quality teacher preparation courses that meet the high teacher credential requirements of the American Montessori Society (AMS), and the Montessori Accreditation Commission on Teacher Credentialing (MACTE) in the Council's delineated competencies.

This Student Handbook contains detailed information regarding the Elementary Level I Teacher Credential Course that prepares Adult Learners to work as a Head Teacher with students six to nine years old. However, it does not take the place of the formal and informal meetings we will have as a group to discuss issues and concerns.

As a faculty, we look forward to a rewarding experience of personal and professional growth.

The written notice of cancellation/withdrawal, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by the MTEC-SFBA Agreement.

The *Notice of Cancellation* form is in the *Student Handbook*, but you can use any written notice that you wish. If you cancel this agreement, the school will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 30 days after your notice of cancellation is received.

### **Withdrawal Policy & Refund Policy & Schedule:**

The payment is on the first day of each course for Adult Learners taking courses in the Year-Round Schedule.

The **American Montessori Society Scholarship Fund** offers scholarships that are awarded every year. Applications for these scholarships are on the AMS website. The application and all supporting documentation must arrive at the AMS office by May 1<sup>st</sup>.

### **Admission Process & Degree Requirement:**

#### **Degree Candidate:**

The candidate for the American Montessori Society Elementary Level I Credential holds a minimum of a bachelor's degree from a regionally accredited United States college/university. The candidate who holds a degree from a foreign college or university the degree must be evaluated to determine if it is equivalent to a United States degree. The degree is evaluated by a National Association of Credential Evaluation Services (NACES) member organization. If the evaluation provides an equivalency to a United States Bachelor's degree, then the American Montessori Society Elementary Level I Credential is awarded.

## **Degree Requirement for AMS Elementary I Teacher Credential:**

**The American Montessori Society requires a BS or BA degree minimum for the issuance of the Elementary Level I Teacher Credential. If the degree is from another country and meets the requirement for a teacher credential in that country the AMS issues the teacher credential with the “degree issued from (country name).**

## **Application Documents:**

Applications for enrollment are accepted at any time prior to the first day of classes. The following should accompany the application:

1. Official transcript of the B.A. or B.S. degree.  
Evaluation by a NACES member service is required of degrees granted outside the United States.
2. Three signed professional letters of recommendation.
3. Application on line at the website with registration fee. (non-refundable)
4. Statement of purpose for attending the Course.
5. Interview.

An Adult Learner whose file lacks any of the items listed above may be accepted on a *provisional basis* while awaiting the full documentation. If there are any questions, the Adult Learner is directed to the Admissions Officer for verification of status. A letter of full acceptance or a letter of *provisional* acceptance with deficiencies is sent to applicants.

## **Admission Process & Criteria for Selection:**

The admission process begins with the applicant’s request for information and the discussion between the prospective applicant and the Center. Determining “the best fit” is the conversation that ensues and requires sincere reflective thinking on the part of the prospective applicant. The “fit” is multi-dimensional: familial needs, time and financial constraints, professional suitability, and further consideration. This inner process, aided by the Center with information, is the critical reflective, and first, step in the admissions procedure. The next step in the admissions procedure is the creation of the account/application online at [MontessoriTrainingUSA.org](http://MontessoriTrainingUSA.org) along with the registration fee of \$100.00. The complete application documentation is submitted online. An email acknowledging receipt of the account/application information and documents (or the need to submit lacking documents) is sent to the applicant.

### **Admission/Selection - Ability to Benefit:**

Based upon the documents submitted from the *Admission Process* and the discussions with the applicant, the MTEC-SFBA determines the applicant's ability to benefit from the course: commitment to the profession, academic preparation, and feasibility of successful completion.

### **Transfer Policy:**

Transfer into the program is permitted from a MACTE-accredited program at the same level of credentialing. See Appendix E.

### **Foreign Student Requirements:**

This school is authorized under Federal law to enroll nonimmigrant students.

### **Curricular Practical Training (CPT):**

CPT Authorization is available to F-1 students in Practicum. The Practicum is a paid position at a Montessori school, and a requirement of the Credential course.

The I-20 CPT update to the I-20 charges a processing fee of \$275.00. The practicum is a requirement of the American Montessori Society for the issuance of the teacher credential.

The practicum at the Elementary Level I is full time (over 35 hours per week). Note that a practicum is defined as supervised employment of limited duration, with education and experience being its primary function.

### **General Requirements:**

- The student must be in good academic standing, must be enrolled in an MTEC AMS credential course, and must currently be on F-1 status.
- A student authorized for a total of 12 months of full time Curricular Practical Training (CPT) is not eligible for Optional Practical Training (OPT) for the current credential course.
- The CPT is the Practicum phase of the AMS Credential course. The practicum is a requirement for the completion of the MTEC course. The "job" is an integral part of the student's course of study.
- Full-time CPT requires at least part-time enrollment at MTEC-SFBA, since the student must receive course credit for the practicum.

### **Specific Requirements:**

- A student must complete CPT prior to the expected completion date on the I-20. An I-20 cannot be extended for the sole purpose of CPT.

- The MTEC Office will authorize Curricular Practical Training for a specific employer and for a specific period of time. Employment may not begin before the first day of classes and may not end any later than the last day of classes.
- In order for the MTEC Office to authorize CPT, the student must obtain two documents: 1) an offer letter from the employer that includes a description of the position as an internship, lists the duties, and the beginning and ending dates of the employment, and 2) a letter recommending the employment from a staff or faculty member of MTEC who will evaluate the student's performance in the internship.

**Procedure:**

- Choose a school that qualifies for Practicum. (Please refer to the requirements of a Montessori site listed in the Student Handbook).
- Take this document, if necessary, describing Curricular Practical Training (CPT) to your prospective employer.
- Request a letter of offer from the employer, on letterhead stationery, that describes the job duties, indicates the start date of employment and verifies that the position is not a continuous, full-benefit job.
- Email the documents listed above, as well as your I-20 and a cover letter requesting CPT to the MTEC Office: [Info@MontessoriTrainingUSA.com](mailto:Info@MontessoriTrainingUSA.com)
- There is a \$275 processing charge in order to issue students a CPT.
- If the MTEC Office determines that you are eligible for Curricular Practical Training (CPT), and you have paid your fee, the authorization will be noted on your I-20 and mailed to you.

**Professional Development Policy:**

Upon receipt of the American Montessori Society Elementary Level I Teacher credential, fifty (50) hours of professional development is required over a five (5) year period to retain the Montessori Elementary I Teacher Credential. If professional development hours are not completed within the 5-year period, the teacher's credential is considered inactive until the requirement is met.

**Leave of Absence/Change of Status - Declared (Withdrawal) and Undeclared (Drop-out):**

Change of Status is permitted at any time. The Adult Learner completes the "Change of Status" declaration (Withdrawal). If the Adult Learner does not file a "Change of Status" form but is inactive for one year then the MTEC-SFBA makes the "Change of Status" undeclared (Drop-out). Reactivation of a declared or undeclared change of status requires a new registration and registration fee.

### **Record Retention:**

Adult Learners' records are maintained electronically. Financial records and academic records are separately maintained. Adult Learners' records are maintained indefinitely.

### **Occupation/Career Information and Placement Services:**

Successful completion of the Montessori Elementary I Teacher Credential Course meets the requirements for a career with students of that age in a Montessori educational setting. The typical employment position is Elementary 6 - 9 Head Teacher or Director. The Program's website lists current employment opportunities. Additionally, the American Montessori Society website maintains employment listing by state. However, the MTEC-SFBA does not represent itself as an employment or placement service. No guarantee is made or implied as to employment, occupational advancement, or salary or wage.

### **Attendance Policy: Absence & Tardy Arrival:**

The Course is both intense and non-duplicable. Absences are not permitted. All absences are deemed serious and necessitate a meeting with the Instructor. Punctuality is assumed for the same reasons that absences are not permitted. All absences and tardy arrivals necessitate a return to MTEC-SFBA to make up the class work: *See Make-Up Classes below.*

Attendance is recorded in the Personal Attendance Sheet (PAS) binder. Absences, as recorded in the PAS binder, are digitally saved in the individual Adult Learner database.

Practicum may be interrupted for varying personal reasons. The length of the practicum is extended in order to fulfill the nine-month requirement.

The Program unavoidably may postpone class(es). Adult Learners are notified by e-mail. Make-up class(es) are scheduled for a mutually agreed upon date(s).

### **Make-Up Policy:**

Missed classes may be made-up during the summer course or in the year-round course. **The make-up class must be the specific class and session that was missed.** Additionally, full attendance and proper participation, including preparation for the philosophy with the philosophy book, is required for a satisfactory

make-up of a missed class. Record the make-up class by completing the *Personal Attendance Sheet* in the attendance binder of that class.

### **Cancellation of Course Policy:**

MTEC-SFBA has never cancelled a course. In March 2020, for the first time, classes (not the course) were postponed for three weeks while the Center moved to a distant learning model. Short a major disaster, for which the Center has no control, courses are not cancelled, but postponed.

### **Grading and Adult Learner Assessment Policy:**

Adult Learners receive ratings for work completed: A+ above excellent work; A excellent work; A- and B+ good work; B for average work; B- for lowest passing work; I for incomplete work.

Incomplete work must be cleared within a six-week period following the last day of class, or the rating is changed to "F."

B- for lowest passing work is not acceptable for consideration of successful completion of an assignment. The work must be redone or re-presented. See *Academic Advisement*.

The Adult Learner is encouraged to meet with the appropriate instructor for clarification and academic support in gaining mastery of the course component assignments.

### **Adult Learner Services:**

Academic advisement is by the individual instructor.

Academic course-level advisement is by the Program Director.

Status of an application, class schedule, transcripts, handbook, forms, and general clerical concerns are addressed to the Custodian of Records - Academics.

Teacher credentialing and state permits are directed to the Credentialing Officer.

Financial arrangements are directed to the Chief Financial Officer/Custodian of Records-Financial.

### **Adult Learner Assessment of Instructor:**

Adult Learner assessment of the instructor is done following the completion of the instructor's curriculum instruction.

### **Student Body Representative:**

The student body elects one representative who assists in the organization of student affairs. The student body representative must be enrolled for the entire course. The same representative serves on the Grievance/Problem Solving Committee. The role of the student body representative is to oversee attendance, to distribute the Instructor Assessment, and to orient new Adult Learners to the course components.

### **General Policies - Code of Conduct:**

Adult Learners are expected to maintain a professional demeanor throughout the program. If an adverse situation arises, the Program Director will speak to the Adult Learner involved to establish an understanding of acceptable behavior. If this does not produce the desired effect, the Program Director will meet with the faculty to help decide the appropriate action in the particular case. Situations will be dealt with on an individual basis. Unprofessional behavior is unacceptable. The Program Director is ultimately responsible for the action taken with the Adult Learner.

#### **Note:**

1. Promptness is expected at the beginning of class and after each break.
2. The proper time for the Adult Learners to snack, go to the bathroom, etc. is during the mid-morning and mid-afternoon break (15 minutes).

### **Arbitration Committee and Procedures:**

#### **Purpose:**

1. To arbitrate significant complaints or grievances by Adult Learners, faculty or Field Consultants.
2. To decide on a course of action, in response to a grievance, which is binding on all parties involved in it. (See note on "APPEAL PROCEDURE" below.)

#### **Composition:**

The MTEC San Francisco Bay Area's Teacher Education Arbitration Committee will be composed of the following persons, who shall remain members of the committee until the end of the following summer session:

- Program Director of the MTEC-SFBA
- One of the faculties of the course (appointed by Program Director)
- One of the Adult Learners enrolled in the course
- One other faculty member shall be a stand-by member of committee, as explained below.

### **Areas of Grievance:**

The Arbitration Committee of the MTEC-SFBA considers grievances against the program, and against its management and faculty in the following areas:

1. Incomplete or seriously deficient training during the academic phase of the MTEC-SFBA credential course.
2. The MTEC-SFBA 's failure to meet American Montessori Society requirements during the practicum.
3. The MTEC-SFBA's failure to meet financial obligations to anyone due those obligations.

### **Grievance Procedure:**

1. A person initiating a complaint must first consult with the person against whom the complaint is being brought, and attempt to work out a satisfactory solution. The Program Director must give final approval to any solutions that involve a change in course requirements (assignments and attendance requirements).
2. If a complaint is not resolved to everyone's satisfaction by this initial contact, the problem can then be brought before the MTEC-SFBA 's Arbitration Committee, who will decide if it is worthy of a hearing. Complete the "Complain/Concern" form found in the Appendix. In the event of a hearing, the committee will hear from both sides of the dispute and shall first attempt to arbitrate a satisfactory solution between them. Failing that, the Arbitration Committee will decide, by majority vote (two out of three), upon a course of action, which will be binding on all parties. (See "Appeal Procedure" below.)

### **Complaint Procedure:**

Individuals who feel they still have legitimate grievances after the above procedures have been exhausted may bring that grievance before the Arbitration Committee. The decision of this Committee will be considered binding on all parties and without appeal.

### **Stand-by-Member:**

In order to keep the committee voting as objective as possible, the designated stand-by member of the committee will replace either staff member on the committee against whom a grievance is brought. The stand-by member will not otherwise have a place or vote on the committee.

In the event that the elected student representative to the Arbitration Committee is bringing a grievance to the committee, an alternative student representative will be selected.

### **Stipulation:**

No solution can be in conflict with BPPE, AMS or MACTE policies or guidelines.

### **STUDENT'S RIGHT TO CANCEL**

You have the right to cancel this agreement and obtain a refund of charges paid through the attendance at the first class session, or the seventh day after enrollment, whichever is later.

The refund shall be the amount paid for instruction multiplied by a fraction, the number of which is the number of hours, which have not been received but for which payment was made, and the denominator of which is the total number of hours of instruction for which payment was made. If the amount paid is more than the amount that owed for the time attended, then a refund will be made within thirty (30) days of withdrawal. If the amount owed is more than the amount that already paid, then the student makes arrangement to pay the difference. The Student must exercise his or her right to cancel or withdraw: July 5, 2021

Cancellation of enrollment occurs when you give written notice of cancellation at the address of the school shown on the top of the front page of this Agreement. You can do this by mail, hand delivery, telegram, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. The *Notice of Cancellation* form is in the *Student Handbook*, but you can use any written notice that you wish. If you cancel this agreement, the school will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 30 days after your notice of cancellation is received.
