Distant Learning Disclosure Statement Early Childhood Teacher Credential Course

The Montessori Teacher Education Center San Francisco Bay Area does not have permanent authorization by AMS, as the affiliate organization, or MACTE, as the accrediting organization, to provide instruction and apply for adult learner credentialing via distance learning.

MTEC-SFBA has been granted “temporary” authorization to provide distance learning until in-person instruction is permitted in Santa Clara, State of California. The covid19 situation changes often, so a specific date for the return of our in-person instruction cannot be guaranteed. The anticipated date is January 1, 2021 for in-person instruction though this date is solely at the discretion of the Bay Area county cited above.

Since April 2020 MTEC-SFBA has provided a continuity of scheduled instructions with the same curricula, the same instructors, and the same assignments as previously provided with the in-person instructions.

The change from in-person to distant learner instruction is the requirement for distant learners is with practice and presentation of curriculum materials. Three techniques have been implemented:

- Use of *Virtual Montessori Materials* for download, print and practice.
- MTEC-SFBA card material in Google classroom for download and practice
- Assembly of home materials for practice (science experiments in history & geography)

The above materials were practiced under the supervision of the instructor during regular class time, rather as it would occur in-person.

Assignments, as before, are submitted via e-mail: Rational Paper & Code of Ethics.

Manual assignment is submitted virtually as the adult learner pages through their manual. Practice Sheets are submitted at the conclusion of the course via email. Attendance is recorded via ZOOM and the tech assistant assigned to the instructor.

Grades for all assignments and final grade for a course are viewed in your personal web-based account at the Program’s website.

The tuition does not include transportation of the Field Consultant to the Practicum site. This is an added expense and is billed to the Adult Learner at the current federal rate per mile, or airline flight costs.

If an Adult Learner obtains a loan to pay for tuition, the Adult Learner will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the Adult Learner has received federal student financial aid funds, the Adult Learner is entitled to a refund of the monies not paid from federal student financial aid programs.

Extended Enrollment and Inactive Enrollment:

For enrollment that extends beyond the twelve (12) month completion date for the summer schedule, or enrollment that has become inactive (defined as no progress toward course completion within a year period) there is a re-Registration Fee of \$100.00 to extend or to reactivate the enrollment. The time limit for re-activation of enrollment is 24 months.

Refund Schedule and Policy:

Adult Learners have the right to obtain a refund of charges paid through the attendance at the first-class session, or the seventh day after enrollment, whichever is later.

Refund Policy - The refund shall be the amount paid for instruction multiplied by a fraction, the number of which is the number of hours, which have not been received but for which payment was made, and the denominator of which is the total number of hours of instruction for which payment was made. If the amount paid is more than the amount that owed for the time attended, then a refund will be made within thirty (30) days of withdrawal. If the amount owed is more than the amount that is already paid, then the Adult Learner makes arrangements to pay the difference.

The Adult Learner has the right to withdraw from a course of instruction at any time. After the period of cancellation has passed, the school remits a refund within thirty (30) days following the withdrawal.

Refund Schedule at Dismissal:

Dismissal of the Adult Learner by MTEC-SFBA follows the same refund policy as Adult Learner withdrawal. Cancellation of the course or a course component by MTEC-SFBA follows the same refund policy as Adult Learner withdrawal.

Financial Aid and Scholarships:

The MTEC-SFBA does not participate in Federal or State financial aid programs. The American Montessori Society Scholarship Fund offers scholarships that are awarded every year. Applications for these scholarships are on the AMS website. The application and all supporting documentation must arrive at the AMS office by May 1st.

Admission/Credential Requirements:

The candidate for the American Montessori Society Early Childhood Teacher Credential holds a minimum of a bachelor's degree from a regionally accredited United States college/university.

The candidate who holds a minimum of a postsecondary degree from a non-United States college/university must have the degree evaluated by a National Association of Credential Evaluation Services (NACES)-member organization. If the evaluation documents an equivalency to a United States Bachelor's degree, the American Montessori Society Early Childhood Teacher Credential is awarded.

If the NACES-member evaluation service does not evaluate the foreign transcript as equivalent to a United States degree the American Montessori Society **Associate** Early Childhood Teacher Credential is awarded.

If the NACES-member degree evaluation determines that the non-United States degree is not equivalent to a bachelor's degree from a regionally accredited United States college/university, the candidate may be eligible for an AMS Early Childhood Credential with a qualification line *including the name of the country from which the degree was earned*.

The **official original transcript evaluation** by a NACES-member service, or a notarized copy, is submitted by the MTEC-San Francisco Bay Area to AMS.

AMS grants the AMS Associate Early Childhood Credential when the course graduate has a high school diploma or GED, but not a Bachelor's degree. Country, state and local employment requirements vary widely and change periodically. In addition, employment requirements vary in different types of schools (e.g. private, public/charter, faith based, publicly funded). In some locations or schools, an Associate Credential may not qualify for full teaching responsibility.

Even if it is currently possible to qualify for a full teaching responsibility without a Bachelor's degree, employment regulations may change in the future. The applicant is responsible for checking specific jurisdictions and schools for particular employment requirements.

Applicants for this AMS Early Childhood Teacher Credential course who do not have a U.S. Bachelor degree from a regionally accredited U.S college/university or its equivalent are required to sign a statement verifying that they have received the above information before they are considered for acceptance into this course. **Signed acknowledgement of this credential difference is due prior to enrollment.**

AMS strongly encourages holders of the AMS Associate Early Childhood Teacher Credential to obtain their Bachelor's degree within 7 years of credentialing. AMS considers the credential as the beginning of a lifelong learning journey. Teachers with an Associate credential are eligible for an AMS Early Childhood Teacher Credential upon completing the Bachelor's degree requirement. To *upgrade* a credential, the teacher must be a current AMS member and send an official transcript documenting the Bachelor's degree, with the credential upgrade fee, to the AMS Office of Teacher Education.

1. B.A. or B.S. degree, or evaluation by a NACES-member service if the degrees was granted outside the United States.
- Or a high school or GED diploma
2. Three professional letters of recommendation
3. Application with registration fee
4. Statement of purpose for attending the course
5. Interview – virtual or live

An Adult Learner whose file lacks any of the items listed above may be accepted on a *provisional basis* while awaiting the full documentation. If there are any questions, the Adult Learner is directed to the Admissions Officer for verification of status. A letter of full acceptance or a letter of *provisional* acceptance with deficiencies is sent to the applicants.

Admission Procedure:

The admission procedure begins with the applicant's request for information and the discussion between the prospective applicant and the Center. Determining "the best fit" is the conversation that ensues and requires sincere reflective thinking on the part of the prospective applicant. The "fit" is multi-dimensional, taking into account familial needs, time, financial constraints, professional suitability, and other considerations. This inner process, aided by the Center with information, is the critical reflective, and first step, in the admission procedure.

The next step in the admissions procedure is the submission of the application online at MontessoriTrainingUSA.org website along with the admission fee. The complete application is submitted online. A letter acknowledging receipt of the application and documents (or the need to submit lacking documents) is sent to the applicant.

Admission - Ability to Benefit:

Based upon the documents submitted from the *Admission Requirements* and the discussions with the applicant, the MTEC-SFBA determines the applicant's ability to benefit from the course: commitment to the profession, academic preparation, and feasibility of successful completion.

Degree Requirement for Teachers:

The Early Childhood Associate Credential is offered to Adult Learners without a bachelor's degree. The Adult Learners without a bachelor's degree signs the notification in the appendix that explains local requirements for employment as an Early Childhood teacher vary widely in the United States. It is the Adult Learner's responsibility to verify local regulations to determine qualifications for employment. AMS strongly encourages holders of the Associate Credential to obtain a bachelor's degree within seven (7) years of credentialing. Signed acknowledgement of this credential difference is due prior to enrollment.

Professional Development Guidelines:

Upon receipt of the American Montessori Society credential, fifty (50) hours of professional development is required over a five (5) year period to retain the Associate or full Montessori Credential.

If professional development hours are not completed within the 5-year period, the teacher's credential is considered inactive until the requirement is met.

Signed acknowledgement of the Professional Development requirement is due prior to enrollment.

Leave of Absence/Change of Status - Declared (Withdrawal) and Undeclared (Drop-out):

Change of Status is permitted at any time. The Adult Learner completes the "Change of Status" declaration (Withdrawal). If the Adult Learner does not file a "Change of Status" form but is inactive for one year then the MTEC-SFBA makes the "Change of Status" undeclared (Drop-out). Reactivation of a declared or undeclared change of status requires a new registration and registration fee.

Record Retention:

Adult Learners' records are maintained electronically. The copy of the AMS credential, the Montessori transcript, the college/university transcript, and AMS Credential Recommendation forms are retained electronically. Financial records and academic records are separately maintained electronically. Adult Learners' records are maintained indefinitely.

Occupation/Career Information and Placement Services:

Successful completion of the Montessori Early Childhood Teacher Credential Course meets the requirements for a career with children of that age in a Montessori educational setting. The Program's website lists current employment opportunities. Additionally, the American Montessori Society website maintains employment listing by state.

However, the MTEC-SFBA does not represent itself as an employment or placement service. No guarantee is made or implied as to employment, occupational advancement, or salary or wage.

The State of California has requirements that must be met for employment with early childhood age children. Those requirements are met within the early childhood credential course requirements: Child Development (2 Units), Observation in Child Development (1), Parent Involvement/Child, Family & Community, and six (6) units in curriculum.

Attendance Policy: Absence/Tardy Arrival/Cancellation:

The Course is both intense and non-duplicable. **Absences are not permitted.** All absences are deemed serious and necessitate a meeting with the Instructor. Punctuality is assumed for the same reasons that absences are not permitted. All absences and tardy arrivals necessitate a make-up of the hours missed and the class work. (See “*Make-Up Classes*”) Tutoring by the instructor is optional in lieu of returning for the class. The charge is \$40.00 per hour paid to the Montessori Teacher Education Center San Francisco Bay Area.

Attendance is recorded in the Personal Attendance Sheet (PAS) binder. Absences are recorded in the PAS binder, are digitally saved in the individual Adult Learner course grade sheet.

Practicum may be interrupted for varying personal reasons. The length of the practicum is extended in order to fulfill the nine-month requirement.

The Program unavoidably may cancel class(es). Adult Learners are notified by e-mail. Make-up class(es) are scheduled for a mutually agreed upon date(s).

Grading and Adult Learner Assessment Policy:

Adult Learners receive ratings for work completed: A+ above excellent work; A excellent work; A- and B+ good work; B for average work; B- for lowest passing work; I for incomplete work.

B- for lowest passing work is not acceptable for consideration of successful completion of an assignment. The work must be redone or re-presented.

See *Academic Advisement*.

Incomplete Assignments

Incomplete work must be cleared within a six-week period following the last day of class, or the rating is changed to “F.”

Academic Advisement:

The Adult Learner is encouraged to meet with the appropriate instructor for clarification and academic support in gaining mastery of the course component assignments.

Adult Learner Services:

Concerns regarding the status of an application, class schedule, transcripts, handbook, forms, and general clerical concerns are directed to the Custodian of Records - Academics.

Concerns regarding teacher credentialing and state permits are directed to the Credentialing Officer.

Concerns regarding financial arrangements are directed to the Chief Financial Officer/Custodian of Records-Financial.

Concerns regarding your practicum placement are directed to the Practicum Coordinator.

Student Body Representative:

The student body selects one representative who assists in the organization of student affairs. The student body representative must be enrolled for the entire course. The same representative serves on the Grievance/Problem Solving Committee. The role of the student body representative is to oversee attendance, to distribute the Instructor Assessment, and to orient new Adult Learners to the course components.

Adult Learner Conduct/Code of Conduct:

Adult Learners are expected to maintain a professional demeanor throughout the program. If an adverse situation arises, the Program Director speaks to the Adult Learner involved to establish an understanding of acceptable behavior. If this does not produce the desired effect, the Program Director meets with the faculty to help decide the appropriate action in the particular case. Situations are dealt with on an individual basis. Unprofessional behavior is unacceptable. The Program Director is ultimately responsible for the action taken with the Adult Learner:

Note:

1. Promptness is expected at the beginning of class and after each break.
2. The proper time for the Adult Learners to snack, go to the bathroom, etc. is during the mid-morning and mid-afternoon break (15 minutes).
3. Leaving during lecture, presentation, practice, or discussion is NOT acceptable and requires retaking of the half day in which time was missed.

4. During class time, do not disturb the class by speaking with classmates. If there is something to say, then share it with the whole class.
5. Eating is not permitted during class.
6. No smoking in the classrooms.
7. Bare feet or thongs are not permitted. (Insurance policy requires enforcement of this policy.)
8. The office copy machine is only available by request and always requires payment of 10¢ a copy to be paid when used.
9. Cell-phone usage is not permitted during class-time.

Arbitration Committee and Procedures:

Purpose:

1. To arbitrate significant complaints or grievances by Adult Learners, faculty or Field Consultants.
2. To decide on a course of action, in response to a grievance, which is binding on all parties involved in it. (See note on "APPEAL PROCEDURE" below.)

Composition:

The MTEC San Francisco Bay Area's Teacher Education Arbitration Committee will be composed of the following persons, who shall remain members of the committee until the end of the following summer session:

- Program Director of the MTEC-SFBA
- One of the faculties of the course (appointed by the Program Director)
- One of the Adult Learners enrolled in the course
- One other faculty member shall be a stand-by member of the committee, as explained below.

Areas of Grievance:

The Arbitration Committee of the MTEC-SFBA considers grievances against the program, and against its management and faculty in the following areas:

1. Incomplete or seriously deficient training during the academic phase of the MTEC-SFBA credential course.
2. The MTEC-SFBA 's failure to meet American Montessori Society requirements during the practicum.

3. The MTEC-SFBA's failure to meet financial obligations to anyone due those obligations.

Grievance Procedure:

1. A person initiating a complaint must first consult with the person against whom the complaint is being brought, and attempt to work out a satisfactory solution. The Program Director must give final approval to any solutions that involve a change in course requirements (assignments and attendance requirements).
2. If a complaint is not resolved to everyone's satisfaction by this initial contact, the problem can then be brought before the MTEC-SFBA 's Arbitration Committee, who will decide if it is worthy of a hearing. Complete the "Complain/Concern" form found in the Appendix. In the event of a hearing, the committee will hear from both sides of the dispute and shall first attempt to arbitrate a satisfactory solution between them. Failing that, the Arbitration Committee will decide, by majority vote (two out of three), upon a course of action, which will be binding on all parties. (See "Appeal Procedure" below.)

Complaint Procedure:

Individuals who feel they still have legitimate grievances after the above procedures have been exhausted may bring that grievance before the Arbitration Committee. The decision of this Committee will be considered binding on all parties and without appeal.

Stand-by-Member:

In order to keep the committee voting as objective as possible, the designated stand-by member of the committee will replace either staff member on the committee against whom a grievance is brought. The stand-by member will not otherwise have a place or vote on the committee.

In the event that the elected student representative to the Arbitration Committee is bringing a grievance to the committee, an alternative student representative will be selected.

Stipulation:

No solution can be arrived at which is in conflict with AMS or MACTE rules and regulations, or US regulations.

Early Childhood Practicum:

The practicum is a necessary requirement for the successful completion of the Montessori Early Childhood Teacher Credential Course.

The function of the Practicum Phase is to provide the Adult Learner with a supervised teaching and learning experience and a period of observation, internalization, and further study, to bring together the theory and practice of Montessori education.

"I" and "B-" are not acceptable for consideration of successful completion of the assignment. See *Grading and Adult Learner Assessment Policy* and *Academic Advisement*.

Transfer Policy - Credit:

The entire sequence of curriculum components is required to successfully complete the Montessori Early Childhood Teacher Credential Course. However, transfer of course work is permitted when the course work has been successfully completed at an AMS-MACTE accredited Early Childhood Teacher Education Program. Documentation is required from the previous institution along with the particular courses completed. Experience is not recognized as parallel to the coursework. See Appendix for *Transfer: Information and Acknowledgment*.

Transferability of Units and Degrees:

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION:

The transferability of credits you earn at the Montessori Teacher Education Center San Francisco Bay Area is at the complete discretion of the institution to which you seek to transfer. Acceptance of the certificate you earn in MTEC-SFBA is also at the complete discretion of the institution to which you seek to transfer. If the credits or credential that you earn at MTEC-SFBA are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at MTEC-SFBA will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending MTEC-SFBA to determine if your credits and credential from MTEC-SFBA will transfer.

Units earned in our Early Childhood Teacher Credential Course in most cases will not be transferable to any other college or university. For example, if you entered our school as a freshman, you will still be a freshman if you enter another college or university in the future even though you earned units at MTEC-SFBA. In addition, if you earn a certificate in our Early Childhood Teacher Credential Course, in most cases, it will probably not serve as a basis for obtaining a higher-level degree at another college or university.

Certificate of Attendance:

A Certificate of Attendance is conferred by the MTEC-SFBA upon successful completion of the academic and practicum phases. Successful completion is defined by a letter grade of B or better in all the course work in all written examinations, demonstrations, observations reports, practicum handbook, practicum & reflection planning journals, and manuals have been submitted, and fees have been paid.

The following books and manuals are required and need to be purchased at the beginning of the coursework.
